

# The Truth About Zionism and America

*You don't have to be Jewish to be a Zionist!*

By David J. Stewart | October 2009

I love Jewish people, and all other peoples alike. I am NOT anti-Semitic. One cannot be right with God and hate any race. The issue is not about being Jewish (as pro-Zionists try to make it). The issue is about an elite group of Zionist Jews who control the U.S. newsmedia, Hollywood, the music industry, the federal government and the banking system. These are the Devil's servants behind the New World Order.

Even a brief search will show that several hundred celebrities over the decades have changed their real Jewish names, to hide from the public the Jewish control over America. Radio host Michael Savage's real name is Michael Alan Weiner, a Jew. Rush Limbaugh is also Jewish. Limbaugh, Sean Hannity and Mark Levin are key voices for Israel in the mainstream newsmedia. Jewish Comedy Club

Ever since the Federal Reserve Bank was started in 1913, America has been taken over exponentially by the Rothschild family and their allies. Thankfully, God is still on His throne and our time is very short during this temporal life. I'm ready to go when the Lord wants me home in Heaven. God is in control of eternity, where NO ONE can conspire against him, nor usurp His authority, where EVERY knee shall bow and every tongue shall confess that Jesus is King of kings and Lord of lords (Philippians 2:9-11).

Everyone from Larry King, to Gene Simmons, to Jerry Lewis, to George Burns, to Woody Allen... and hundreds more have changed their names. Again, the issue is not about being Jewish, it is simply the fact that few Americans realize the Jewish control over America. We have lost control of our country. Our economy has been hollowed out, we are in massive debt, our jobs are all gone, tens-of-millions of people have either lost their home or will never be able to afford one one, and things are going to get MUCH worse.

The facts cannot be denied. The newsmedia is Jewish controlled and lies to the public continually. When I went to get my neck surgery, I stayed in Hollywood, California, where I saw Jewish temples all over the place. It is no secret that Hollywood movies are saturated with Zionist propaganda, blasphemy against Jesus Christ, cursing in God's name, sexual filth and perversion, and every form of sin imaginable. Do a web search under "Jews control American government."

As noted in the book, "In Search of Anti-Semitism," by Leonard Dinnerstein, former U.S. President Nixon acknowledged the Jewish Media Barons influence in America. President Nixon said:

***"Politicians are often controlled by the media ... People have to realize that the Jews in the U.S. control the entire information and propaganda machine, the large newspapers,***

***the motion pictures, radio and television, and the big companies. And there is a force that we have to take into consideration."***

Now you know why they ousted Nixon as President. He was too honest, which is exactly why they killed Kennedy.

## Who Is A Liar?

By David J. Stewart

The Bible warns that any religion which denies that Jesus came in the flesh is an antichrist. Mormons believe that Gabriel became Jesus, and that Adam will be the coming Messiah. Jews, Jehovah's Witnesses and Muslims all deny the Son.

1st John 2:22-23, "Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son. Whosoever denieth the Son, the same hath not the Father: (but) he that acknowledgeth the Son hath the Father also."

Anyone who denied that Jesus is the Messiah is a liar and antichrist. There are many antichrist; but only one ANTICHRIST (the Beast who is coming). The whole Judaic religion is of antichrist. Collectively these Christ-rejecters are all known as antichrist. As Born-again Christians we are all a part of the Body Of Christ. Likewise, all those on Satan's side who confesses not that Jesus is come in the flesh is of antichrist.

Roman Catholics believe that Jesus came in the flesh, but they elevate Mary to the same status as Christ (worshipper Mary a hundred times more than Christ). Listen to a [Rosary](#) and you'll hear at least 53 Hail Marys (it sounds like a spiritual morgue or funeral). I'm so glad that I'm free from the bondage of the Catholic Church.

A lot of Christian churches are holding hands with Jews today. In reality they're holding hands with Sodom and Egypt (Revelation 11:8). [The coming Antichrist will likely be a Jew](#). If are a involved with Freemasonry, then you are yoked together with Sodom. Demonic Kabala (Jewish mysticism). Judaism is Freemasonry and Freemasonry is Judaism. We should not stay too long in Sodom, or Hell will erupt. Folks, get separate. God commands us to COME OUT FROM AMONG THEM (2nd Corinthians 6:14-17). COME OUT!!! We should be friends with Jews and Freemasons, to try to lead them to the Lord; but you can't be in bed with their evil deeds and devil gods. It's sickening what they're getting away with; but my heart rejoices to know that God will not let them get away with evil for ever. Judgment Day is coming (Ecclesiastes 12:24).

I'm not calling anyone a liar. I'm standing behind the Bible. The Word of God is calling anyone a liar who denies that Jesus is the Son of God, the Christ (Messiah). [Jehovah's](#)

“Until you stand up for your own rights, I think these Zionists deserve to walk all over you. I think they deserve to push dirt and sand into your face day after day, because if you don't respect yourself enough to stand up for your own people, and tell these people who are for Israel and not for America, that it's time for them to get lost, then I'm afraid that it's probably time for you to get lost.

And you have been lost for a long, long time, almost for a hundred years, ever since 1913 when the laws concerning the Federal Reserve System were passed, and you lost control of your country's money supply. And once you lost control of it, they gained control of it—the Rothschild banks.

And the first thing they did was to buy up your newspapers. Then when radio came in, they bought up the radio stations. And they made sure they bought up all the movie studios... and so now we have Zionist movies, day after day after day. Everything that you see, everything that you hear, comes through their Zionists lens, and you deserve to be done in by these people, because you will not stand up for yourself.

You will not demand, for instance, that your pro-Zionist president Bush be indicted for lying and starting a war, which caused a catastrophe worldwide, especially in Baghdad. If any man in this world deserves arrest, trial and execution, it is George Bush and his henchmen. But that's not going to happen either. In fact, probably, after watching MSNBC, and CNN and Wolf Blitzer, you probably like President Bush. You probably like the way that he lied to you. You probably like the way he has destroyed your Constitution with the Patriot Act, and with other documents that he signed with the flip of a pen. Well, if you do enjoy it, then that's what you deserve.”

I caution you that you are never to use the materials in Jew Watch to develop a general hatred for the Jews. First of all, most Jews have nothing to do with what their vicious leaders have planned and carried out against you, and they have also carried their same plans out against the innocent Jews who live in your cities as well. These Jewish villains who are in control of many areas of the world's existence are a minority of the Jews and do not represent them or take orders from them. They work as lone political, financial, and media wolves to get their work done.

Remember that although some Jews might hate you, most Jews harbor no hatred against you. You should never harbor hate for these innocent Jews either.

Both the Gentiles and the Jews need to right the wrongs that some powerful and deceitful Jews are doing to both of our people, because both of us suffer equally from their actions. It is in the best interests of both of our people to end these activities once and for all, so that we can go about our lives in peace and engender goodwill for all who live in this world.

This is a political work and is not personal. Do not make it personal. It is all about political changes and not about personally hating people and certainly not about hating the Jews in general.

I pray that my work will aid all of us, Gentiles and Jews alike, in going beyond what has happened in the past and in ending it forever in our future that we may live our lives in peace and that majorities may be represented by majority governments instead of being ruled by minority controlled traitors who have agreed to be totally corrupted by the bribery money of Jewish millionaires just to stay in office.

Yours truly,
